

DIGITAL IMAGING SERVICES

Photography of 2 Dimensional Art (Work up to 60")

Full Service

Our Full Service option includes a consultation, high definition image capture, digital file adjustments including color correction and dust spotting, an 8.5 x 11 proof, and a digital file on a CD or DVD

\$75

Notes about 2D Capture: Color matching requires having the original in hand, therefore, we encourage customers to have the color match done at the time the image is captured. Color accuracy is particularly important for publication or when prints will be made.
